I am writing this letter to commend your company's coating work at the Harrison Power Station. Your on site supervision, especially Mr. Vincent, was exceptionally knowledgeable and thorough while installing the roof coatings for us.

So often speed and quality do not go hand in hand, however, your commitment to both helped us give a very good finished product to the owner.

Gentlemen:

I am writing this letter to commend your company's coating work at the Harrison Power Station. Your on site supervision, especially Mr. Vincent, was exceptionally knowledgeable and thorough while installing the roof coatings for us.

So often speed and quality do not go hand in hand, however, your commitment to both helped us give a very good finished product to the owner.

Very truly yours,

C. H. SCHWERTNER & SON, INC.

Michael Gerardi
Director of Construction
